## Why Build with Granny Flat Solutions?

We've built for over 1,500 customers around Sydney, the Central Coast and the Illawarra, and here are just some of the reasons our customers love us:

### We're Multi-Award Winning Builders

With over 35 years of experience, our above-average, high quality builds have earned us multiple awards from the MBA, HIA and more. Our reputation is one you can truly trust.

### We're a Family Business

You're more than just a number in the system. Unlike larger builders, we take each project on and treat it with respect, valuing each client who works with us. You become part of our family.

### We Pride Ourselves on Quality

Your Granny Flat is designed and built by skilled trades who share the same passion for quality workmanship as us. We treat every new build as if it was our own personal one.

### We're Focused on You

From day one, you'll be working with a team that is committed to being honest and transparent to ensure that you're fully aware of what goes into your new build. Our staff are always available to assist and will work with you hand in hand to create a high quality Granny Flat to suit your needs.

### We Can Custom Design

Looking for something unique? We offer face-to-face meetings with our experienced design team to create the perfect floorplan to suit your block. Our extensive knowledge of council requirements will ensure that you're getting a quality Granny Flat that is functional.
